*Spring 2017*

### Neighborhood Survey

In an effort to learn more from our neighbors, we're sending out a City of Wellington Neighborhood Survey. We'd like to learn about your current satisfaction with our neighborhood activities, communication, safety, etc. This anonymous survey will take approximately 5 minutes and will help shape the future of our neighborhood and community.

Please use the link below to fill out the survey <https://www.surveymonkey.com/r/ZYHYVRJ>

We hope you'll participate and would like to receive responses by **May 31, 2017**. We will be sharing a summary of the results and actionable feedback in the future.

## Home Security Checks

Sergeant Fey has visited residents in the past to perform home inspections. He will point out potential security risks and bring to your attention ways to make your home more secure against break-ins. It was a huge success with those that participated. He has agreed to do another round of home inspections on **Saturday, May 27th between 9am-1pm**. Please email [contact@cityofwellingtonky.com](mailto:contact@cityofwellingtonky.com) if you would like to schedule an appointment. As always we want to thank Officer Fey for keeping our neighborhood safe

Wellington is committed to maintaining a balanced budget that adequately provides for the operational needs of our City, while allowing for important projects focused on infrastructure, safety and quality of life for our residents.

## Hawthorne Elementary's Playground

Hawthorne Elementary School, the only language immersion elementary school in JCPS, is raising funds to expand their playground. The expansion is much needed, as their current equipment can only be used by one classroom at a time. The expansion will include accessible playground equipment to meet the needs of Hawthorne's special education class.

On May 19th, Hawthorne will be hosting their largest annual fundraiser, Hawk-a-thon, which combines a field day of activities with a walk/run-a-thon. All proceeds will go towards the playground expansion. If you'd like to make a donation to Hawk-a-thon, visit [www.tinyurl.com/hawkathon2017](http://www.tinyurl.com/hawkathon2017). Watch a video about the playground project at <https://youtu.be/XIZt4uaoOnY>

If you know of a business or individual who may want to sponsor this project, please email Sandra Moon at [sandra.moon@gmail.com](mailto:sandra.moon@gmail.com)
